“Europe cannot be built at once, nor will it be built together: it will arise from concrete realizations that first create a de facto solidarity” (Robert Schumann)

ACADEMIC YEAR 2020/2021 - www.aesieuropa.eu

“The very concept of law, of an existing and projected reality profoundly, and deliberately, different from both anarchy and tyranny is shaped by the recognition that we human beings are all persons and each other’s equal in that respect even if in no other” (Prof. John Finns University of Oxford)

“The human being has a nature that he must respect and that he cannot manipulate at will. The human being is not merely self-creating freedom. Man does not create himself. MESSAGE TO THE EUROPEAN ASSOCIATION OF INTERNATIONAL STUDIES (AESI)

FROM MS. TATIANA VALOVAYA, UNITED NATIONS UNDER-SECRETARY-GENERAL DIRECTOR-GENERAL OF THE UNITED NATIONS OFFICE AT GENEVA

(GENEVA – May 2020) “As leaders of the future, you have an important role to play, today, in rejecting fear, mistrust and hate, and instead, advocating for inclusiveness, cooperation and multilateralism. I am sorry that the COVID-19 pandemic resulted in the cancellation of your study trip to Geneva. However, I encourage you to find other opportunities to expand your understanding of the world around you and your engagement with the United Nations. We would welcome your experiences and ideas. I also hope, one day, to be able to welcome you to UN Geneva “
