“ETHICS IN INTERNATIONAL RELATIONS”

Ethics, Identity, Democracy, Innovation, Cooperation

“Europe will not be made all at once, or according to a single plan. It will be built through concrete achievements, which first create a de facto solidarity” (Robert Schuman)

ACADEMIC YEAR 2020/2021 - www.aesieuropa.eu

“The very concept of law, of an existing and projected reality profoundly, and deliberately, different from both anarchy and tyranny is shaped by the recognition that we human beings are all persons and each other's equal in that respect even if in no other” (Prof. John Finns - University of Oxford)

“Man has a nature that he must respect and that he cannot manipulate at will. Man is not merely self-creating freedom. Man does not create himself. He is intellect and will, but he is also nature and his will is rightly ordered if he respect his nature” (Prof. Massimo Maria Caneva - President AESI)
