UNITED NATIONS AND UNIVERSITY COOPERATION PROMOTING PEACE AND HUMAN RIGHTS

POSSIBLE SYNERGIES WITH THE UNITED NATIONS IN THE CRISES AREAS

AESI Mission intends to investigate the consequences of recent conflicts (particularly in Ukraine) in terms of human rights, migration and health care for the affected populations. For this reason, it is organizing a Mission to Geneva in collaboration with the Permanent Mission of Italy to the United Nations, hoping to be able to investigate these issues directly with the competent United Nations Agencies and the International Committee of the Red Cross. Another aspect that AESI will be explored will be the role of cooperation between Universities and the United Nations in crisis situations to foster peace and human rights.
