

## GREETING MESSAGE

DEL MIN. PLEN. STEFANO BELTRAME

Director of Training Unit - DGRI

CASALE DI VILLA MADAMA - MAECI

TO THE AESI PRESIDENT AND AESI STUDENTS

Dear President,

unfortunately, the health emergency prevented us from hosting the Casale di Villa Madama, the historic headquarters of the Institute Italian diplomat, the AESI seminar we had planned for the month of May.

Despite the difficulty of the moment which prevents any serious planning, we must look ahead and reprogram it as soon as it will be physically possible in full compliance with the legislation on the protection of Health.

On the other hand, this period of forced enclosure has given each of us the opportunity to reflect on what it is truly important in life and on the values that guide our conduct.

A reflection that makes me confirm with even greater conviction the importance of the work that AESI does.

See you soon then.

With affection and esteem

Stefano Beltrame
